

Internet Test Sites and Internet Statistics Sites

Internet Statistics Sites:

<http://www.netindex.com/> - Drill down to the state/local level to see the ISP that they have data for.

<http://www.fcc.gov/developers/consumer-broadband-test-api>

<http://www.internettrafficreport.com/faq.htm>

Internet Test Sites:

<http://myspeed.visualware.com/index.php> - Use the Quality Test and the VoIP Test.

<http://www.speedtest.net/>

<http://www.ookla.com/>

Internet Testing & Monitoring Sites:

<http://www.edgewaternetworks.com/products/edgeview-voip-support-system/overview.html>
